

Call for posters

Confiance.ai days – 2021 edition

The Confiance.ai days poster session presents an opportunity to publish late-breaking results, technical descriptions, smaller research contributions, works-in-progress and student projects in a concise and visible format. Accepted posters will be displayed in the forum venue, including a designated poster / demo session, providing presenters with an opportunity to engage in discussion with an expert audience of scientists and engineers from programme partners and other interested parties.

Posters can cover preliminary or exploratory work within the scope of the confiance.ai programme, or present any other research that would generate discussion and benefit from this forum. Posters are encouraged in themes relevant to Confiance.ai including, but not limited to, the programme technical challenges.

1. Important dates

Poster Submission Deadline: September 17

Notification of acceptance: September 24

Poster session: October 6

2. Submission instructions

Poster submissions should be in a paper of no more than 2 pages starting with a title, authors list and 4-line abstract for the conference programme.

The paper should be sent as a PDF document to posters@confiance.ai

Submissions will be reviewed by the programme committee composed of members of the « Confiance.ai scientific animation working group ».

3. Information for authors

All accepted posters will be considered for the best poster award to be determined by forum attendees.
